

Bertha Park

2, 3, 4 & 5 bedroom homes

Springfield
.co.uk

Bertha Park

Development of the year

GREAT LOCATION BEAUTIFUL HOMES

Countryside living in the city of Perth. Find out more about Springfield's collection of contemporary 2, 3, 4 & 5 bedroom family homes.

THE VILLAGE

Bertha Park has been designed to include everything a community needs to grow and thrive.

The village has already started to pick up prestigious accolades, including winner of the Scottish Home Awards Development of the Year, take a look around Bertha Park and you'll see why this development is held in such high regard. Home to an award-winning pond and a beautifully designed play park, a brand new, state of the art high school and a local shop for all the essentials.

As the village develops there will be opportunities for restaurants, shops, health facilities, and open public spaces. This, together with easy access to the wider community, makes Bertha Park a vibrant and desirable place to live.

BERTHA LOCH AND ANCIENT WOODLANDS

The local countryside is one of Bertha Park's great attractions with the scenic beauty of Bertha Loch and the surrounding ancient woodland, ideal for a dog walk or evening stroll.

The village also sits on the number 77 national cycle route. This runs along the banks of the Almond and Tay right into the city centre and, if you fancy a challenge you can even cycle all the way to Dundee or Pitlochry.

SPORT AND FITNESS

Perth has excellent sporting facilities. Bell's Sport Centre and the impressive North Inch Park, with its rugby fields and acres of green space, are just over 10 minutes by car or 20 minutes on bike using cycle route 77.

The city is also the home of Scottish Curling with regular competitions hosted within the Dewars Centre.

The Leisure Pool is a great place to introduce kids to the water with amazing flumes and slides as well as dedicated swimming lanes.

If football is your thing, then McDiarmid Park is just 2 miles away if you want to catch some Scottish Premiership action with local club, St Johnstone.

TRANSPORT

When it comes to transport, Bertha Park is second to none. It has its own dedicated bus service which runs into the heart of the city. If you want to travel further afield, the local train station is your gateway to the rest of the UK. If you need to take the car, the A9 is your route to all of Scotland's great cities and is only a few minutes away. The village will also benefit from the Cross Tay Link Road.

EDUCATION

Bertha Park High School, which opened in 2019, was the first purpose built secondary school in Scotland for 20 years and is one of only 17 Microsoft flagship schools. This is a high-tech learning facility that encourages student driven innovation.

For younger children, there are plenty of quality primary schools within the local catchment area.

SHOPPING, DINING AND RECREATION

High Street shopping in Perth boasts many household names. While you're out, you can choose from a selection of cafés to grab a coffee or a cake. Enjoy a cold beverage at any number of historic bars or treat your taste buds at one of Perth's top restaurants.

Nearby, St Catherine's Retail Park adds to your shopping options with designer outlets, homeware and sports shops. For your weekly groceries you're spoiled for choice. Just down the road, by the Inveralmond roundabout, and slightly further afield you can choose between a number of well known supermarkets.

Take a stroll down by the River Tay and try some fresh local produce at the Perth Farmers Market. The outdoor enthusiasts will enjoy the nearby Willowgate Activity Centre where the family can take part in a wide range of things from water sports to bush craft. Just over the River Tay you will find Scone Palace, host to a variety of events and seasonal festivities year round. For a bit of culture, you can visit Perth Theatre or the Concert Hall to take in a show or enjoy one of the latest exhibitions at the Museum and Art Gallery.

Springfield Properties has been building homes since the early 1990s. We have grown steadily ever since and now build homes across Scotland from the Highlands to the Borders. Wherever you're looking to live and whether you're taking your first step on the property ladder, looking for the perfect family home or choosing a place to downsize – we're sure to have a home you'll love.

QUALITY SERVICE AND AFTER SALES

Springfield is always striving to find out what really matters to home owners and we work hard together every step of the way to help make your house a home.

We're committed to building the most energy efficient homes we can. For example, each Springfield home is designed around a sustainable timber frame. We also have a dedicated team of kit designers and production experts which means minimal wastage.

We'll take care of you well after your move in date. With every Springfield property we offer an after sales service for the first two years.

DEVELOPMENT PLANS

As you can see from the development plan, Springfield Bertha Park (Meadows) will deliver a carefully considered selection of two, three, four and five bedroom homes with a choice of terraced, semi-detached and detached, continuing to make this a perfect development for growing families.
